March & June Special Offers

We don't believe Mafia has a "best season"; throughout the year there is something beautiful to appreciate on the archipelago, and we would love to share it with you starting with the next couple of months.

Un-crowded, tropical diving at its best - March is warm, intense, usually with calm seas and a bustling underwater world – what's even better, there are very few people around to share it with!

An explosion of nature - June marks the start of spring, the perfect period to watch turtles hatch on secluded beachfronts, spot 4 different species of seahorse, and many other creatures.

We have the following offers for the occasion, exceptionally valid until the 15th of July 2019:

- 4 dives
- 1 seahorse dive
- Tanks & weights
