POLE POLE PRESENTS 'BAHARI YAKO' A private dhow sailing experience in Mafia Island

Since the beginning, Pole Pole has attracted those that value privacy, intimacy, and somewhere far-flung from the masses and the mainstream. Hidden away amongst the palms and caressed by sea breezes, the atmosphere is one of a secret sanctuary an ocean away from life's hustle and bustle.

Along with [Mafia Island Diving](#), we've decided to take this element to the next level: for those seeking the ultimate exclusivity, we are now offering an **exclusive private dhow experience!**

After all, many upmarket safari camps offer **the option to upgrade** to exclusive use of vehicle - so why give up this this luxury when you arrive at the seaside? Or perhaps you're celebrating a birthday, a honeymoon, an anniversary... Something made extra-special if **you're the only ones on board.**

'Bahari Yako' is Swahili for 'your ocean'. A private boat is more than just an exclusive on-board experience: if one has the freedom to decide where to go and what to do, a whole world of possibility is opened up. Diving, sailing, snorkeling, sandbanking, sunset cruising, exploring... The options seem endless.

So, we are very proud and excited to present Bahari Yako – our private sailing experience!
